## 2018 CENTAUR R/C CLUB FIELD RULES

1. All club members shall act as Safety Officers, they have the right and the responsibility to see that other fliers act in a safe and responsible matter.
2. All flying activities shall conform to current AMA regulations and all fliers must be an AMA member in good standing.
3. There will be no alcoholic beverages or drugs allowed on the field at any time.
4. In the case of single frequency (channel) transmitters:  
Your current AMA card shall be in the slot in the frequency board, for the frequency of your transmitter before you turn on your transmitter. The frequency pin will be in your possession at all times when your transmitter is on. NO TRANSMITTER SHALL BE TURNED ON AT ANY TIME WITHOUT THE FREQUENCY PIN IN YOUR POSSESSION.  
NOTE: THIS RULE IS NOT APPLICABLE TO 2.4 GHZ. TRANSMITTER EQUIPMENT THAT IS MULTI-FREQUENCY BASED.
5. In the case of single frequency (channel) transmitters:  
Anyone turning on a radio without first having the frequency pin and causes another plane to crash will be responsible for the replacement of that plane.
6. All flight equipment will be kept in the designated pit area.
7. No flying over the pit, spectator, or parking areas. All flying will be done to the East of the field in front of the pit area. NO FLYING OVER PIT AREAS. See attached diagram of permitted flying zone!
8. Guests are permitted to fly, only if they have an AMA membership card, and are accompanied by a club member. They shall follow AMA and club rules. The club member shall be responsible for the guests actions.
9. Approved mufflers are required on all engines.
10. Although single frequency transmitters are permitted if used properly in accordance with rules # 4 & #5.  
It is highly recommended that 2.4 GHz. multi-frequency (FASST etc.) equipment be used due to the non-interference benefits of such equipment.
11. If FPV (First Person View) flying is done, the pilot must be on the flight line and have a spotter present with him at all times during the flight. The spotter must have VLOS (visual line of sight) at all times with the aircraft.
12. All members are responsible for the enforcement of these rules.
13. The regular membership dues are \$50.00 for the year or \$25.00 for the non flying associate members. After August 1, dues are reduced to \$25 for a flying membership for new or former members, this covers you until regular dues for the new season are due again in the following year (by March 31st).
